

A Donation that keeps Growing

Your donation to the Bristlecone
Foundation Legacy Forest
campaign will ensure that patients
and their families receive
high-quality care at home. It will
also help renew the forests of
Summit County and the beauty of
our mountains. Plant a seedling
and watch your donation grow.

Support Compassionate Care in Your Community

Bristlecone Health Services is the only hospice and home care provider in Summit County. Our team of health care professionals guides patients and families through the unique physical, emotional and spiritual challenges faced during any illness. Children and adults receive compassionate, high-quality care that maintains dignity and accommodates patient and family wishes, all in the comfort of home.

Your Donation Funds Patient Care Services Where You Live

Rest assured that your donation will support the hospice and home care patients of Bristlecone Health Services and renew the beauty of our Summit County forests.

Plant a Seedling in Support of Home Care and Hospice

A donation of \$20 will plant a seedling in support of the patients of Bristlecone Health Services. Buy one for yourself, in memory of a loved one, or better yet, give as a gift to friends and family. There is no better gift than the gift of life and hope. Those purchasing more than 50 seedlings will receive a commemorative name plate on a reflection rock, at planting site of your choice.
